

OFFICIAL RESOLUTION FORM

WHEREAS, the Technology Student Association strives to prepare students for a technical world; and

WHEREAS, green technology is a growing field in today's education; and

WHEREAS, green and renewable technology are growing fields in today's career market; and

WHEREAS, technology is a field of adaptability and historically integrates emerging trends; and

WHEREAS, taking environmentally-accountable measures can reduce cost and increase positive public relations; and

WHEREAS, Pennsylvania TSA has undertaken several comprehensive environmental initiatives; and

WHEREAS, the example of PA-TSA can be considered for further initiatives; therefore,

BE IT RESOLVED, that the National TSA organization investigates the implementation of environmentally considerate measures; and

BE IT FURTHER RESOLVED, that National TSA encourages and upholds the efforts of state delegations to reduce, reuse, recycle, and rethink to diminish this organization's environmental footprint; and

BE IT FURTHER RESOLVED, that the National TSA organization reviews the present initiatives of Pennsylvania TSA including, but not limited to, the Electronic (Competitive Event) Submission Project.

All resolutions must be submitted to National TSA President, Peter Andrews, by 9:00pm on Wednesday, June 30, 2010. Cell phone number for the individual proposing the resolution: _____
